# Expectations

## Attendance

As you can imagine, Year 6 is full to the brim with learning opportunities, therefore it is vital that all children attend school **everyday** unless they are unwell.

## Equipment

The stationery needed for Year 6 is a **blue** pen and pencil. Pencilcases can be brought in but they must be small enough to fit in a small drawer.

**P.E days are on Tuesday and Thursday.**

For indoor PE, boys and girls will wear plain black or blue shorts and a house T-shirt. For Games: warm tracksuit bottoms and sweatshirt, house T-shirt, trainers or football boots. Please ensure children have a labelled water bottle. Children must remove their earrings for P.E. It is the Local Authority's policy that earrings cannot be taped.

## Homework

**A piece of Maths and English homework will be given out on Wednesdays and is due back the following Wednesday.** Homework is compulsory and if it is not completed, it will need to be done on Wednesday lunchtime. A lunchtime club will be provided on a Tuesday if help is needed with homework. Each week, if all pieces are handed in on time, we will play 'Homeworkopoly' giving children the chance to win a reward. They will have the opportunity to practise their personalised spellings in school each week.

## Behaviour

We expect outstanding behaviour both in the classrooms and on the playground. For this, we will give out Housepoints, Silver and Gold awards and Star prizes. However, if children do not adhere to the school's rules, appropriate sanctions will be actioned in line with our behaviour policy. For any Red behaviour incidents, parents will be contacted.
